Greetings Dr. Hruhan,

We are writing this letter to inform you of an upcoming event that is being hosted by Dr. James E. King in honor of his father, Andrew L. King who passed in May of 2006 due to Pancreatic Cancer. Mr. King was a patient at Johns Hopkins.

On Saturday, May 30<sup>th</sup> we will hold a 5K "Walk for Knowledge" in honor of Mr. King. In our first effort to make a difference and support this cause all proceeds will be donated to Johns Hopkins.

We hope we can make an impact for such a great cause.

Sincerely,

Dr. James E. King
